Discussion Items

Treasurer Updates: Jenny presented updates on several matters, including quotes coming in for the budget meeting and needing date options for the gaga pit presentation.

Minutes – 08/17/26: Motion was made to approve the minutes of August 17, 2026. Passed unanimously (John Cover, Ed Hoover).

Supervisor Updates: John reported that he had gone through the ordinance books, and we need to get up to date on a speed limit ordinance, including a full study of the roads. The Ford trucks will be taken in this week for the recalls. Filters were picked up for the park tractor and were all changed.

Paint has been ordered, and crews plan to sweep roads the day prior to painting.

Ed reported that we needed to get in contact with the football league to ask them to rotate where they are practicing because they are wearing down the grass in areas. The Newburg Borough office has had their grant changed so the sale of the old firehouse is moving forward.

Public Comment

Jason reported that the landfill had 90 feet remaining until they are at the max height. Jason also reported that he has taken a new job opportunity and will no longer be overseeing our landfill. Jason's last day will be 9/12/2026 – bulky waste, and he is also still talking to the legal team for our contract renewal, and he will try to get them to come out and meet with the supervisors.

Adjournment

Motion to adjourn was made.
The motion carried unanimously (John Cover, Ed Hoover).
The workshop was adjourned at 7:40am.
